Public Libraries

MISSION STATEMENT

Public Libraries offer free and equal access to services and resources to assist the people of Montgomery County in finding ideas and information to sustain and enrich their lives.

BUDGET OVERVIEW

The total approved FY04 Operating Budget for the Department of Public Libraries is \$31,033,550, an increase of \$472,400 or 1.5 percent from the FY03 Approved Budget of \$30,561,150. Personnel Costs comprise 78.2 percent of the budget for 231 full-time positions and 226 part-time positions for 406.7 workyears. Operating Expenses account for the remaining 21.8 percent of the FY04 budget.

Not included in the above is a total of \$118,330 and 1.2 workyears that are charged to Correction and Rehabilitation, General Fund. The funding and workyears for this item are included in the receiving department's budget.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

PROGRAM CONTACTS

PROGRAM DESCRIPTIONS

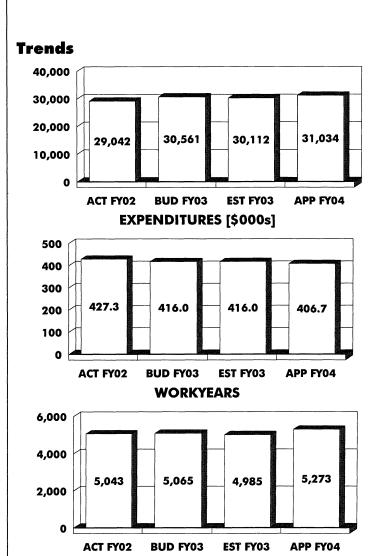

Library Services to General Population

This program provides public service hours in Montgomery County libraries. A full range of services is available at 20 full service library sites during all open hours, including: information service for adults and children; Public Access Catalog for access to indices and full text (also available 24 hours per day via dial-in and World Wide Web); automated phone and website renewal (24 hours per day, 7 days a week); regularly scheduled programming for preschool children and adults; and meeting rooms for public use. A comprehensive collection of materials is maintained to meet customers interests and needs.

Library Services to Targeted Groups

Materials and special services are provided to customers who are less able to use mainstream services and/or materials on a continuing basis, or who have targeted information needs. Specialized services are provided through:

- Children's Resource Collection A special collection for day care providers is available at the Rockville Library.
- Multicultural Services Provides an outreach service which encourages the use of the library for English language experience and for information. Collections in Spanish, Chinese, Vietnamese, and Korean are provided in selected branches.
- Detention Center Library Provides law materials for inmates, as well as recreational and informational reading materials.
- Literacy Council of Montgomery County Provides tutorial services for adult beginning readers, which is complemented by adult beginning-to-read materials in many libraries.
- Mobile Services Provides access to library services by van at selected sites on a weekly or bi-weekly basis, focusing on children in subsidized day care, low-income neighborhoods, and at HOC sites.
- Special Needs Library Provides persons with visual and other physical disabilities or limited mobility, materials in Braille, on various listening devices, and recorded materials. Computer equipment is available for physically-and learning-disabled adults and children, as is equipment for the visually impaired. Service is provided to the homebound through volunteers and deposit collections for senior residences and nursing homes, including large-print books.

In addition, other special services are provided to meet targeted information needs:

• Business/Government Specialties - Located at the Rockville

- Library, this provides a selective Federal Document Depository which allows patrons, local business persons, and government officials to find information produced by and about government, and information important to business.
- Health Information Center Located at the Wheaton Library, this Center provides patrons with consumer-oriented health care information, so they can be better informed and can more actively participate in their personal health care.
- Noyes Library The Noyes Library is devoted to service to children. It operates at a historic site with special assistance from the Noyes Children's Library Foundation.

Administration

The Department's support efforts are divided into two categories: Administration and Support.

Administration consists of the offices of the Director, Public Services Administration, Chief of Public Services, and Chief of Collection Development. Relations with the community, Library Board, local library advisory committees, Friends of the Library, and coordination with County government, as well as overall long-range planning and evaluation of services, policy development and direction, human resources, and financial development are handled by the Office of the Director. The Business Office manages all administrative support functions, including contracts, budget, finances, payroll and personnel, supplies, and deliveries.

The Public Services Division is responsible for the public service operations of the Department including branch policy and procedure, customer service, training, program evaluation, overall library facilities management, and volunteer coordination. Planning for future information technology is an ongoing responsibility. The Office of the Chief of Collection Development and Materials Management provides the management and direction for the Department's library materials selection, cataloging and processing. The planning for

the inclusion of new formats and the evaluation of collections in relation to community information needs are also primary functions.

Support consists of elements of the Business Office, Public Services, and Collection Development and Materials Management Divisions. The Business Office provides a materials delivery service between all library sites. Public Services manages the circulation control system and Public Access Catalog, and Internet access. Collection Development and Materials Management manages the selection, cataloging and processing, and maintenance of materials in all formats for new and existing collections in the individual libraries.
